Harp Rental Plan Plan number R _____

This harp rental plan can be used for simple rentals or can be used as a "rent-to-own" plan. You can use it for either new or for previously owned harps from our showroom. In the State of Minnesota, we require a deposit: \$100 for lap harps, \$150 for floor harps. Rentals outside of Minnesota require 25% down for a deposit. In case of damage other than ordinary wear, we may, at our option, require you or your insurance company to pay the cost of repairs. Please buy replacement strings from Vermont Strings, Robinson's Harp Shop or from us. We require that you provide us with a credit card number for our files. Then, on the first of each month, we will charge the monthly rental fee to your card and send you a statement of your account balance so you can see where you stand. Then on the 1st of each month, we will charge 1/24 of the total cost of the harp until the balance is paid in full.

We will give you an invoice for the full purchase price of the harp at the time of rental. Rent will be calculated at 1/24th of this value. You pay for the first month at the time of rental. After 12 payments, you have paid one half of the cost of the harp. We expect you to then decide whether to continue to rent by the month or to convert the rent to a purchase. You can pay off the balance or discuss a payment plan with us for monthly payments until the harp is paid for. There are no interest charges unless we are unable to charge your card. Your deposit will be applied as part of the last payment. You must pay shipping for original delivery and for returning the harp during the rental period. We also require that you rent or acquire a heavy-duty case to protect the harp from damage when in your possession and while transporting it.

Renting is an excellent way to find out whether you or your child will enjoy the harp. If you decide not to continue, your cost is limited to the rental fees.
