

Harp 9 month Payment Plan

Invoice number _____

Customer number _____

This harp payment plan can be used for either new or for previously owned harps from our showroom. Provide us with a card number for our files and we will charge the payment on the first of each month to your card and send you a statement of your account balance so you can see where you stand.

We require one third down and the balance paid off in at least nine months
There is no finance charge unless payments are not made on time.
